WHAT IS CASA KIDS BOX LUNCH?

As one of our biggest fundraisers each year, we work with our community partners and volunteers to make and deliver over 3,000 pre-ordered lunches to schools, businesses and individuals throughout El Dorado County.

In El Dorado County, approximately **1** out of every **145** children are in foster care. CASA El Dorado serves each of these children with individualized attention, support and compassion. All funds raised through this event will directly support recruitment, training, and ongoing supervision of our Court Appointed Special Advocates.
